To Whom it Concerns:

Mr. Vern Perry of Oceano Construction Limited at 15090 Royal Avenue, White Rock, BC, has been a builder and construction manager in the City of White Rock for the last six years. We have always been pleased with his professional approach to the construction industry and the quality product and the follow-up service that he has provided to his clients. We have found him to be well informed and cooperative in all our dealings with him. He has been willing at all times to rectify any concerns that we have had, which have been few. All comments we have received from his clients have been positive. In short, we have found Mr. Vern Perry to be a good builder.

Yours truly,

Colin G. Atchison
